A black and white photograph of a tennis team posing outdoors. There are 14 people in total, arranged in two rows. The front row consists of seven players sitting on the ground, each holding a tennis racket. The back row consists of seven people standing, including coaches and additional players. They are all wearing tennis attire, and the setting appears to be a grassy field with trees in the background.

Faces. They may be the "fresh" faces of the Sophomores or the "final" faces of the Seniors that will soon be gone. We've tried to capture them and the many other unique faces that appear in the hallways of Shaker everyday. Our purpose was to bring to you the year, the memorable moments (and those you'd rather forget) of this year through your faces, the faces of Shaker students. Within these pages there is a range of faces, some may be familiar and some may not. But no matter who they are, they represent this year, the 1983-84 school year.

Also, we'd like to give special thanks to our Hunter representative, Doug Harlan, for all the help he has given us and to our advisor, Mr. James Hoffman.
